"You miss 100% of the shots you don't take." - Wayne Gretzky

"The only way to do great work is to love what you do." - Steve Jobs

Hello! I'm Islam Atiyat

FULL STACK WEB DEVELOPER

studying computer information systems at university of jordan As a passionate and dedicated full stack web developer, I am constantly striving to learn and grow in my field. Whether it's building personal side projects or staying up-to-date with the latest technologies, I am always looking for ways to challenge myself and expand my skillset. Additionally, I believe in the power of teamwork and collaboration, and I am committed to sharing my knowledge and expertise with others in order to help them succeed as well. If you're looking for a skilled and motivated web developer to help bring your ideas to life, I would be honored to work with you.
